

## **MoveAbout Therapy Services Schedule of Fees from January 2021**

### **Assessment with report: \$678.97**

This includes the following:

- One 90-minute assessment session including interview, observation, standardised assessment and/or non-standardised assessments.
- A summary report outlining findings, assessment scores and recommendations.

### **Initial Consultation: \$387.98**

The initial consultation is available when a client has a current assessment report (less than 12 months old) that has been completed at another agency and is provided to MoveAbout to support treatment planning.

The initial consultation consists of the following:

- One 90-minute assessment session including interview, observation, standardised assessment and/or non-standardised assessments
- Bullet point summary of findings.

### **Parent Meeting: \$193.99 (\$153.99 \*)**

Upon commencing a treatment program at MoveAbout, a parent meeting is recommended as the first therapy session. This session is designed to provide an explanation of findings, identify goals, establish treatment plans and provide home-based intervention strategies.

### **Direct Treatment Occupational Therapy: \$193.99 per hour (\$153.99 \*).**

Therapy at MoveAbout mostly occurs onsite at the MoveAbout Therapy Clinic. Duration and frequency will be decided after the initial appointment and during the parent meeting.

### **Monthly Consultations: \$193.99 per hour (\$153.99 \*).**

Consult sessions are treatment sessions where the family comes in less regularly than weekly and where focus is directed towards education and consultation, i.e., problem solving and developing strategies for outside of the clinic setting. Consult sessions typically require more planning, preparation and communication time on average when compared to weekly direct therapy. MoveAbout will charge for indirect time spent on planning, preparation and communication for consult sessions, up to a maximum of 15 minutes per session.

### **Offsite Consultation rate:**

Although most therapy is provided at the MoveAbout clinic, a school or home consultation can be provided as needed to compliment clinic-based therapy.

Offsite Session/ observation:

- 90 Minutes (including 60-minute observation and 30-minute discussion with educator/parent): **\$290.98** (report not included).
- Report following observation: **\$193.99 (\$153.99\*)**
- 30 -minute follow up conversation (if required): **\$96.99 (\$76.99\*)**

### **NDIS Progress Reports on request: \$387.98**

- Weekly clients will have assessment administered during their weekly therapy session (usual session fee of \$193.99).
- We require at least two weeks following completion of assessment for report writing, so please ensure you provide us with ample notice if a progress report is required.

**\*Please note: A discount may be offered to families who are not eligible for government or NGO funding such as; NDIS or Department of Communities and Justice. In order to receive the discount, families must apply and be approved by MoveAbout Therapy Services management. Families receiving a discount may have access to Medicare rebates. Requests for fee reduction must be submitted and approved each term.**
