

## MoveAbout Therapy Services

Paediatric Occupational Therapy

(02) 8883-0088

Child's Name: \_\_\_\_\_

MoveAbout understands that therapy is expensive for families, particularly when families do not have access to block funding. For this reason, MoveAbout has decided to allow families who **do not receive any block funding** (such as NDIS or from a NGO) to request a reduction in fees for therapy. Families will need to complete this form and it must be approved by MoveAbout in order to receive the reduction. This form must be completed on a quarterly basis, prior to week one of each term.

Please tick the appropriate box

I would like to request a reduction in fees for my child's therapy as:

- ☐ My child is not eligible for NDIS or other block funding.
- ☐ My child is in the process of obtaining NDIS funding but has not yet received it.
- ☐ My child is in the process of obtaining a funding source other than NDIS but has not yet received it.

---

*Admin only*

- ☐ Request approved
- ☐ Request not approved as:
